This 2-story colonial offers a blend of classic charm with some modern updates. Located in Raleigh, enjoy easy access to Creedmoor Road, I-540, Wildwood Green Golf Course, RTP, and RDU Airport. The main floor features hardwood flooring throughout living areas and hardwood stairs leading to the second floor. The living room flows through divided glass French doors to the family room, which features a brick wood-burning fireplace. Step out to a large wood deck and paver patio for outdoor living. The functional kitchen has oak cabinets, a walk-in pantry, and is prime to update like you want when you want. A breakfast nook and formal dining room complete the common areas. A half bath in the foyer hall offers convenience on the main floor. Upstairs, the primary bedroom offers a remodeled en-suite bathroom with dual vanities, granite tops, a soaker tub, and a glass-enclosed walk-in shower. Three additional bedrooms feature new carpeting and ample closet space. A full bath with updated tile bathtub surround serves these rooms. The laundry closet includes a washer and dryer. A highlight is the permitted theater room with a screen and blackout curtains, providing direct access to the secondary staircase and attic. The attic offers approximately 300 sq ft of floored storage. Key features include architectural shingles, vinyl replacement windows, natural gas heat on both floors, and a recently replaced second-floor HVAC unit.
